GIBRALTAR PORT AUTHORITY VISITS SMM IN HAMBURG

Manuel Tirado, CEO and Captain of the Port has been visiting the SMM trade fair in Hamburg (SMM: shipbuilding, machinery, marine technology) this week.

SMM is the world's leading trade fair for the maritime industry and is held every two years. With over 2,200 exhibitors and about 50,000 visitors from all over the world attending, this event provides the opportunity for representatives and experts in the maritime industry to gather in Hamburg to showcase innovative developments and leading-edge technologies, and discuss the industry's prospects.

Manuel Tirado, CEO and Captain of the Port also attended a breakfast meeting and a dinner hosted by Gibdock for their agents and clients. Gibdock were participants at the trade fair and Manuel was delighted to be able to meet Gibdock's key partners in the industry.
