PRESS RELEASE

No. 712/2018

Date: 20th November 2018

Replacement of Barriers in Chatham Counterguard

Following the deployment of temporary protective barriers known as 'Jersey Barriers' at Chatham Counterguard strip in 2017, HM Government of Gibraltar is pleased to announce the successful replacement of these Jersey Barriers with new designs, beautifying and in keeping with the overall appearance of the area, whilst still providing the necessary protection to pedestrians.

The designs are representative of cannons common of the era but are not exact replicas. The cannons will be interspersed with new planters, providing new green areas in a frequently visited area by locals and tourists alike.
