Date: 28th November 2018

Annual Multi-Agency Exercise – LIVEX

Throughout Thursday 29 November, the annual multi-agency exercise (Exercise LIVEX) will take place in various locations across Gibraltar.

This is an anti-terrorist exercise which will test our contingency plans and the ability of relevant agencies to work together. The public may see increased numbers of emergency services (some using flashing light and sirens) and other responding agencies on our roads but there is no need for any alarm.
