### **GIBRALTAR PORT AUTHORITY ATTENDS THE 7<sup>th</sup> ANNUAL LNG BUNKERING SUMMIT IN AMSTERDAM**

Representatives from the Gibraltar Port Authority have been attending the Annual LNG Bunkering Summit in Amsterdam. Now in its 7th year, the Annual LNG Bunkering Summit is spread over three days and focuses on the entire supply chain, offering insights into decision making, planning, development, operation, safety and training processes that are driving the LNG Bunkering market forward.

Manuel Tirado, CEO and Captain of the Port commented that he was delighted to be attending the conference on behalf of the Authority as this event offered the opportunity for attendees to discuss the future of the industry and meet with infrastructure operators, shipping companies, LNG suppliers and technology providers. He added that 'Gibraltar is a proactive player in this new market and there has been extensive interest in our plans to provide the platform for LNG operations in the near future'.

Manuel, along with Daniel Perera (Bunkering Superintendent), is also taking the opportunity to meet with the Port's partners based in Amsterdam with a variety of meetings being held in the margins of the conference.
