

The following is a list of UAV Operators who have provided sufficient assurance to the Gibraltar Civil Aviation Authority in order that they be approved to operate commercially within Gibraltar airspace. The list is in alphabetical order and does not show any preference on the part of the Authority, all Operators having undergone the same approval process.

Company	Accountable Manager	Web Page
Aion Lens	Georgina Pusey	Aion Lens
Barton Solutions	James Barton	Barton Solutions - Gibraltar's 3D Experts
