## 1. INTRODUCTION

- 1.1 The Gibraltar Civil Aviation Authority (GCAA) continues to ensure that it has the most up to date aviation regulatory system by developing operating regulations under the Civil Aviation Act, Section 34(1), which are easy for the aviation industry to understand and navigate.
- 1.2 A Notice of Proposed Amendment (**NPA**) is a public notice that is issued when the GCAA wishes to add, remove, or change operating regulations as part of the rulemaking process. The following is a description of a new edition, any major change, (apart from minor editorial corrections) that were made to these regulations;
- (a) CAR REG Aircraft Registration is amended.
- 1.3 The purpose of this NPA is to:
- (a) introduce formal public consultation on the proposed CAR amendment;
- (b) ensure the adequacy of legislation governing operations of Gibraltar registered aircraft in accordance with ICAO SARPS and international best regulatory practices; and
- (c) determine the effect on the aircraft operators/organisations of the proposed legislation.
- 1.4 The GCAA now seeks comments on this NPA from the aviation industry and the concerned parties before proceeding further.
- 1.5 Abbreviations

|       |                                          |
|-------|------------------------------------------|
| GCAA  | Gibraltar Civil Aviation Authority       |
| CARs  | Civil Aviation Regulations               |
| NPA   | Notice of Proposed Amendment             |
| SARPS | ICAO Standards and Recommended Practices |

## 2. OBJECTIVE

- 2.1 The objective of this NPA is to advise all concerned parties of the proposed changes and to obtain comments regarding these changes. A number of regulatory criteria have been identified to guide the development of these changes. The criteria require that the new legislation/regulations should:
- (a) be clear, concise and unambiguous;
- (b) be consistent with the GCAA's international obligations;
- (c) be harmonised with ICAO SARPS and international standards, unless unique GCAA circumstances require otherwise; and
- (d) be enforceable.

## 3. EFFECT OF CHANGES

- 3.1 The proposed changes are made entirely within REG.010 (Registration Eligibility). They include revisions to the existing wording, replacing references to "companies" with "legal entities" in order to encompass a broader range of organisational structures. More significantly, the amendments are intended to expand the eligibility criteria for aircraft owners seeking to register aircraft on the Gibraltar Register, thereby widening access to the Registry for a broader category of owners. Gibraltar.

We have expanded the eligibility criteria to include both natural and legal entities residing in, or established within, Commonwealth countries. In addition, eligibility has been extended to legal entities established in the following jurisdictions:

- Hong Kong (Special Administrative Region);
- United States of America;
- Japan;
- China;
- UAE;
- Bahrain;
- Saudi Arabia;
- Oman; and
- Qatar.

None of the jurisdictions listed above are currently included on the Financial Action Task Force (FATF) grey list or black list.

Expanding the eligibility requirements will enhance the attractiveness of the Gibraltar register to a wider range of aircraft owners, operators, leasing companies, and financing structures. The changes are designed to provide greater flexibility while maintaining the regulatory oversight, safety standards, and transparency, allowing us to compete commercially with other registries.

- 3.2 The effective date for the amended CAR REG is planned for **15 October 2026**.

#### **4. PRESENTATION**

- 4.1 Once promulgated, the new regulation will be available in electronic format on the GCAA website under "CARs".

## 5. HOW TO SUBMIT COMMENTS ON THIS NPA

All submissions must be received by **14 October 2026** and will be evaluated and assessed with a view to incorporating any necessary changes to the regulations prior to their formal promulgation. In order to simplify collation and summarising of comments, the GCAA will accept an email or letter together with the Response Sheet (refer to page 4/5) and any additional comments attached as necessary. Responses may be sent to;

Email: [info@gcaa.gi](mailto:info@gcaa.gi)

Address: GCAA, Suite 975, Europort, Gibraltar, GX11 1AA

The GCAA may contact persons in respect to submissions in order to clarify issues but is not obliged to individually acknowledge or respond to comments or submissions.

If no response is received by the due date it will be considered as “acceptable without comment” from the recipient of the NPA.

Your review of these regulations is very much appreciated.

Christopher Charles Purkiss  
Director General

Date: 16 September 2026

**RESPONSE SHEET****CAR REG Rev 03**

Please submit this response sheet as soon as possible prior to **....., 2026**. Please indicate your acceptance or otherwise of the proposal by ticking [ü] in the appropriate box below. Any additional constructive comments, suggested amendments or alternative action will be welcome and may be provided on this response sheet or by separate correspondence.

- ☐ The proposals are ***acceptable but would be improved if the following changes were made:*** (Please provide explanatory comment).
