Civilian Registration Card and Permit of Residence - Guidance Notes

SECTION 1 - Reason for applying?

Applications from first-time applicants aged 16 years or over must include a police clearance/vetting certificate from the country they resided in prior to arriving in Gibraltar.

It is important that in this section you indicate the reason why you are requesting a Civilian Registration Card and a Permit of Residence from the Civil Status & Registration Office. If possible, please provide your current personal number (No on reverse of card).

It is important to note that if the reason for applying is that your particulars have changed, your card or permit has been lost, stolen or damaged in any way the expiration date on your replacement card and permit will be the same as that of the original documents.

It is also important to note that the electronic system does not allow for cards to be renewed before 6-months from the date of expiration. Should you renew your card before 6-months, the expiration date on your new card will be the same as that of the old card. It is therefore advisable not renew cards if they have more than 6-months validity remaining.

SECTION 2 - Who is the Card for?

Identity and nationality may be evidenced by the submission of a valid passport or identity card. If you cannot provide any of these documents, you must explain why and provide alternative evidence, as indicated by the Civil Status and Registration Office.

A photo is a vital part of your application and if an unsuitable photo is supplied, your card will be delayed.

The photo provided must be of the applicant:

Facing forward and looking straight at the camera.

In close-up of their face, head and shoulders.

With a neutral expression and with the mouth closed (no smiling, frowning or raised eyebrows).

With eyes open and clearly visible (no sunglasses or tinted glasses and no hair across the eyes).

Free from reflection or glare on glasses and frames must not cover eyes (if possible, please remove glasses for the photo).

Showing their full head, without any head covering, unless they wear one for religious beliefs or medical reasons.

With no other objects or people in the photo (this also applies to a photo of a baby or young child and babies should not have toys or a pacifier in the photo).

Without shadows on the picture.

Without anything covering the face - nothing should cover the outline of the eyes, nose or mouth, and not showing any 'red-eye'.

Wearing a coloured item of clothing (wearing a light item of clothing against the white background could result in the photo being rejected by the system).

The photo must:

Be the size of a standard passport photograph taken in a photo studio (not at home) and against a WHITE background.

Not be trimmed or cut down from a larger photograph to the size of a standard passport photograph.

Be printed to a high quality, with the image being clear and in sharp focus, taken within the last month.
