Guidance notes and standard forms for use when submitting an Environmental Statement in respect of an application for planning permission that has previously been submitted.

Overview of the process

1. Applicant submits the Environmental Statement (ES) and any related documentation to the Development and Planning Commission (DPC).
2. The applicant must serve copies of the ES on the consultation bodies specified by the DPC and advise them that they may make representations to the DPC.
3. All EIA applications (i.e. applications for planning permission for a type of development that is subject to the EIA procedure) are subject to public participation.

Attached to these notes are the following:

1. *A checklist to help the applicant ensure that he has submitted the necessary documentation when submitting an ES (DOC A)*
2. *A template for advertising the submission of the ES in the press. (Doc B)*
3. *A template for advertising the submission of the ES on site. (Doc C)*
4. *Regulation 11(5) Certificate to be used to confirm that that the required site notice (referred to in (3) above) has been placed on the site. (Doc D)*
5. *A template for serving notice on any person likely to be affected by, or having an interest in, the application (Doc E).*

NB: An applicant for an EIA development must ensure full compliance with the Town Planning (Environmental Impact Assessment) Regulations, 2019, in all respects. The Regulations can be viewed at the following web site: <http://www.gibraltarlaws.gov.gi/>
