Guidance Notes

When do I use this form?

This form is only to be used for the following types of application:

Outline Planning Application – prior to submitting the full details required in an application for a Full Planning Permission, a person may submit an application for Outline Planning Permission (Section 19, Town Planning Act). Outline Planning Permission, if granted will approve the principle of the proposed development subject to certain conditions. Granting Outline Planning Permission does not authorise the commencement of works on site. Following the outline planning stage the applicant will then need to submit a detailed application for a Full Planning Permission and Building Control approval.

Full Planning/Building Control Application – This is a joint application for both Full Planning Permission (Section 18, Town Planning Act) and for Building Control Approval (Section 45, Public Health Act). A Full Planning Permission confirms the approval of all planning matters relevant to a development, and may be issued subject to certain specified conditions. Building Control Approval confirms compliance with the Building Regulations and may also be issued subject to conditions.

Do not use this form for any of the following types of application:

- Application for Demolition - use Form 2;
- Application for Advertisement consent – use Form 3;
- Application for Consent to cut/lop protected tree – use Form 4.

Forms 2, 3 and 4 are available from the Department of Town Planning and Building Control.

How many copies of the application must be submitted?

Return the completed form, together with any accompanying drawings and other documents, to the address given on the application form. For **major** applications you must submit one set of drawings at A1 size and one set at A3 size. All other types of application please submit one set at A3 size.

What Plans and drawings need to be submitted?

- Planning Statement (for any applications that are more than minor in nature) - to summarise the main elements of the proposed works, background information, planning history and summary of vehicular and pedestrian access arrangements.
- Location plan to a scale 1: 1250 approx – to show the exact location of the site.
- Site Plan to a scale 1:200 approx – to show clearly the boundaries of the site and its relationship with adjacent properties and roads and must include a North arrow. The site boundary should be shown in RED and adjoining land owned or controlled by applicant in BLUE.
- Block Plans, elevations, floor plans, roof plans and sections are to be shown to an appropriate scale (1:50 or 1:100) and must show the layout of the site, the existing building(s) and all proposed changes.
- Other – It is helpful for artists impressions of the proposals to be included. Photographs of the building/land as existing and photographic montages showing the superimposed proposals would be helpful. Larger developments may require a scaled model showing proposals in relation to the surrounding area.
- Design Statement – For major proposals the statement should clearly show the thought process that has led to the submitted design.
- All plans should be clearly annotated.
- All plans and documentation must be in the English language.

How will you contact me?

If you provide an e-mail address we will normally communicate with you via e-mail. In addition to the requisite hard copy of plans and documents, please submit copies of all plans and documents in electronic format.

Do I need to notify anyone else of my application?

Unless you are the sole “owner” you must serve notice on all other “owners” of the site. A notice for this purpose is included in this application form (Notice S22A). Special procedures apply where you have not been able to identify all the owners of the land in question. You should contact the Department of Town Planning and Building Control for further advice. “Owners” include Freeholders, leaseholders and tenants of any part of the application site. Further advice is available on the Town Planning page of the Gibraltar Government website Gibraltar.gov.gi

If your application is in respect of a building or land that is in multiple occupation (e.g. an apartment building) then you must also do the following:

- Serve a notice (Notice S22A) on the Management Company (if there is one) and certify this by completing the details in the section on Ownership Details of this form;
- Place notices (Notice S23A) in locations easily visible by users of the building/land such as entrances or lifts and they must remain for 14 days;
- On completion of the 14 days, complete a section 25 Certificate (attached to this form—Sec25Cert) and submit together with the application form.

If after submission of the application you are required to serve any additional persons you will be notified.

Do I need to pay a fee?

Yes. The amount will be set out in the acknowledgement letter that will be sent to you. Fees should be paid promptly to avoid delays to consideration of the application.

Use this notice to notify other 'owners' about your application.
