## GUIDANCE NOTES FOR COMPLETION OF NOTICE OF APPEAL FORM (TREES)

Please read these notes carefully before completing your appeal form.

All appeals must be received within 28 days of the Development and Planning Commission's (DPC) written notification of its decision with the exception of appeals against a notice served under Section 7 or an appeal against a Tree Preservation Order, in which case they must be received within 14 days of receipt of the notice or order.

Section of Notice of Appeal form to which the notes refer	
1	Appellant Details
	In the case of an application to carry out works to a tree (s) only the original applicant may lodge an appeal against the decision of the DPC or against its non-determination of the application.
	In the case of an appeal against the designation of a Tree Preservation Order only the owner or occupier of the land affected by the Order may lodge an appeal.
	In the case of a notice to remedy a dangerous or infected tree only the owner of the land affected by the Order may lodge an appeal.
2	Agent details
	An appellant may, if he so wishes, employ an agent to act on his behalf. If this is the case his details must be provided in this section. Where an agent is employed all correspondence shall be addressed to him.
3	Appeal Type
	This form can be used for different types of appeals. Please indicate, by ticking one box only, the type of appeal that you are lodging.
4	Appeal site Address
	Please provide the full address of the appeal site.
5	Application Details
	This section should only be completed if the appeal relates to a type indicated under section 3 a, b, c, d or e. Please provide the application reference number provided by the DPC at the time of the application and the date of the DPC's decision.
6	Tree Preservation Order Details  If the appeal relates to an application to carry out works to a tree(s) that is the subject of a TPO, or relates to the designation of a Tree Protection Order, please provide the TPO number.

7	Description Of The Tree(s) Subject To The Appeal
7	Please provide a full description of the tree(s) including details on species type and height.
8	Choice of procedure
	Both the appellant and the DPC have the right to appear before the Tribunal. However, if both parties are in agreement the appeal can be determined by the Tribunal on the basis of the written evidence submitted by both parties without the need for either party to appear before the Tribunal. You should therefore indicate on your appeal form whether you wish your appeal to be in the form of 'Written Representations' (written evidence only) or whether you wish your appeal to be concluded by a 'Hearing'. In the latter case you will still need to provide your full written grounds of appeal in section 9 of the form.
	The Tribunal has adopted the following procedure for determining appeals:
	The appellant submits the Notice of Appeal and all supporting documentation to the Secretary of the Development Appeals Tribunal.
	The Secretary of the Development Appeals Tribunal (DAT), having checked that all the necessary information has been submitted will then forward a copy to the Secretary of the Development and Planning Commission. All correspondence, from either party, relating to the appeal must be addressed to the Secretary of the Development Appeals Tribunal.
	The Development and Planning Commission, once it has considered the Notice of Appeal shall prepare its response (if necessary) and forward this to the Secretary to DAT. If the Commission does not intend to submit a response it shall advise the Secretary to the DAT accordingly.
	On receipt of the DPC's response the Secretary of DAT shall forward a copy to the appellant who will have the opportunity to submit further comments in response if he so desires. At this time the appellant shall be reminded of the option to request a hearing (if he has not already opted for this). A copy of any such further comments will be forwarded to the Secretary to DPC. If the appellant does not wish to make any further comments he must advise the Secretary to DAT accordingly.
	In the case of the Written Representations procedure the DAT will consider the written evidence before it and determine the appeal.
	In the case of a Hearing, the DAT shall convene a date for a hearing and both parties shall attend to present their cases. The DAT will then consider all written and oral evidence and determine the appeal.
9	Grounds of appeal
	Please state clearly and concisely <u>all</u> the grounds of appeal.

## 10 Essential Supporting Documents

You must ensure that copies of all relevant documentation are submitted with the appeal. The documents to be provided will vary depending on the type of appeal. Please tick the relevant boxes to indicate the documents that are being submitted with the appeal.
