## **Application for Exemption - Guidance Notes**

#### INTRODUCTION

These Guidance Notes on Exemption from the Requirements of Section 12(1) of the Immigration, Asylum and Refugee Act under the provisions of Section 12(2) of the Act provide information in relation to the application you are making.

Further details are available upon request from the Passport Section, Department of Immigration & Home Affairs, Leanse Place, Gibraltar.

#### **HOW TO APPLY**

An application form must be completed in full and submitted along with all the corresponding documents. Some of the information you provide on this form will be stored on a computer which is registered under the Data Protection Act.

Acceptance of the application form does not imply that Exemption will be granted.

Exemption is the first stage in the Naturalisation process and applicants who wish to apply for Naturalisation must be able to: -

- . Make simple conversation in English about themselves and their family and way of life
- Communicate sufficiently in English to deal with everyday situations such as travelling, shopping, visiting the doctor's surgery or a child's school, and conducting dealings with officials.

#### PROCESSING OF APPLICATION

To initiate the process you will, in the first instance, need to complete the pertinent application form and submit it together with the required supporting documentation.

Applications will not be processed unless all the supporting documentation has been submitted. You may do this by attending our offices in person or by submitting the application by post.

In the case where original documents cannot be provided, certified true copies of certificates bearing an original seal of the court or registry that issues the certificate or certified true copies of the original by Notary Public or other person entitled in law to certify the authenticity of the document are acceptable.

If you have any doubts at all about which documents to present, whether the documents that you have will be acceptable or any other queries, we would strongly advise that you <u>contact us</u> to discuss this before you attend our offices. If you cannot meet the requirements, we may not be able to proceed with your application or this may be delayed.

As part of the process you will be called to attend an interview and may be asked to provide further documentary evidence in support of your application for exemption from immigration control under Section 12(2) of the Immigration, Asylum and Refugee Act. Please note that knowledge of English is a statutory requirement and therefore the interview will be conducted in English.

Should your application fail on your inability to communicate satisfactorily in English, this office will be unable to accept a further application before a period of six months. On submission of this new application the applicant is required to re-submit all the relevant documents necessary in support of the new application.

## ISSUES THAT MAY DELAY THE PROCESSING OF YOUR APPLICATION

On occasions, the processing of your application may be delayed because of a number of issues.

The delays could be the result of:

- A high volume of application forms awaiting processing at the time
- False or misleading information provided in the application form
- An incomplete application form
- Insufficient supporting documentation

This office will contact you as soon as a delay in the process has been identified so that this may be addressed as soon as possible.

#### **GOOD CONDUCT**

You must satisfy the Department of Immigration & Home Affairs that you are of good character and have shown respect for the rights and freedoms of Gibraltar, observed its laws and fulfilled your duties and obligations as a resident of Gibraltar. Checks will be carried out with other Government Agencies and Authorities to ensure that the information you provide is correct.

If you are not honest about the information provided and you are exempted based on incorrect or fraudulent information, you will have the exemption revoked and it is a criminal offence to make a false declaration knowing it is untrue.

If you have a conviction in Gibraltar or overseas, within the relevant sentence based threshold you are unlikely to be exempted. Similarly, if you have been charged with a criminal offence and are awaiting trial or sentencing, you are advised not to make any application for exemption until the outcome is known.

#### **BREACH OF IMMIGRATION LAW**

To meet the residence requirements, you should not have been in breach of immigration law during the residential qualifying period. You should have been here legally. This means you must have had the necessary permission under the immigration laws to be in Gibraltar.

You may be refused if you have been in breach of immigration laws during the residential qualifying period. This is especially relevant if you came to Gibraltar as an asylum seeker and your application for refugee status and any appeals were refused during this period.

If you came to Gibraltar as an asylum seeker and/or as an illegal entrant (for example if you entered Gibraltar clandestinely), you must have evidence that you were here legally during the residential qualifying period. You may be in breach of immigration laws during the residential qualifying period if you had exhausted all your appeal rights and had not left Gibraltar, even if you were subsequently given indefinite leave to remain as a concession. If you were not covered by temporary leave to remain during the full residential qualifying period while appeals were under consideration, then your application will fail on breach of immigration conditions.

Just because you were given indefinite leave to remain does not mean that we will automatically disregard the time you were in breach of immigration laws during the residential qualifying period. Any immigration offences will also be considered as part of the Good Character requirement.

#### RESIDENT

You must have been physically and uninterruptedly present in Gibraltar for either 3 years or 5 years, depending on the basis of your application, before the Department of Immigration & Home Affairs receives the application.

For example, if you are applying on the basis of marriage or civil partnership with a British Overseas Territories Citizen and your application is received on 20/3/2017 you should have been physically present in Gibraltar uninterruptedly since 21/3/2014. Failure to renew your civilian registration card when necessary will signify that there has been a break in your residency requirement and your application **will be rejected**, even though you might submit proof of your continuity in your rented accommodation/residential property during the break.

Most applications that fail do so because applicants have applied even though they cannot satisfy the residence requirement to be present in Gibraltar at the beginning of the residential qualifying period.

#### **ACCOMMODATION**

Should you be residing in Government rented accommodation you must satisfy the Department of Immigration & Home Affairs that you have permission from the Landlord (Government) to reside at such an address. Permission from the tenancy holder will not suffice. Therefore, a letter from the Housing Department stating that you have permission to reside at the property must be submitted at the time of application, along with copies of utility bills for the qualifying period.

Should you be residing in privately rented accommodation you must satisfy the Department of Immigration & Home Affairs that you have a rental agreement with the owner, landlord or an authorised agent on behalf of the owner for the property in which you are residing. Additionally, you must also submit copies of utility bills for the qualifying period.

If you are residing in your own property, you must provide the deeds for the property, along with copies of utility bills, service charges and rates for the qualifying period.

If you have lived in different properties throughout the qualifying period you must submit the pertinent documentation for the various properties.

#### **REFEREE**

The referee must be a Member of the Gibraltar Parliament, Justice of the Peace, Minister of Religion, a professionally qualified person (for example, Doctor, Engineer, Lawyer, Teacher), Bank Officer, Established Civil Servant, Police Officer or a person of similar standing who has known you personally for at least **five** years if you are applying on grounds of residence in Gibraltar, or **three** years if you are applying on grounds of marriage and residency to a British Overseas Territories Citizen (Gibraltar). A relative should not countersign.

#### **DEFINITIONS**

For the purposes of answering questions 7.3 to 7.9, the following information provides guidance on actions which may constitute war crimes, crimes against humanity, genocide, or terrorist activities.

This guidance is not exhaustive. The full definitions of war crimes, crimes against humanity and genocide can be found in Schedule 2 of the International Criminal Court 2007 at <a href="https://www.gibraltarlaws.gov.gi/articles/2007-28o.pdf">www.gibraltarlaws.gov.gi/articles/2007-28o.pdf</a>. It is your responsibility to satisfy yourself that you are familiar with the definitions and can answer the questions accurately.

#### War crimes

#### Crimes against humanity
