No deduction for social insurance has been included within Table 'C' since the deductions are calculated on the number of weeks irrespective of the number of days worked within each week.

Further guidance on how to operate the social insurance is provided in Guidance for Employers

1. For any amount in excess of £99 deduct at the rate of 40%.
2. Add the amount of tax payable on £99 as per the tax tables, and an additional £0.83 (to adjust the previously included tax credit) to arrive at the full tax liability.
3. Finally deduct the higher of either £0.83 or 2% of the full tax liability to arrive at the final tax liability
