

HM Government of Gibraltar

Professional & Technology Officer (Town Planning Assistant) Job & Person Specification

Post: Professional & Technology Officer (Town Planning Assistant)
Department: Town Planning and Building Control
Responsible to: Deputy Town Planner

JOB PROFILE:

To assist the Town Planner and Deputy Town Planner with all planning and related work covering the full range of development management and planning policy functions.

The main duties and functions of the post are:

- To assist in dealing with all types of planning applications, appeals and enforcement work.
- Site inspections and meetings on applications, appeals, enforcement matters and other related planning matters.
- To provide advice on planning matters to the general public, professionals and other Government departments and agencies.
- To assist in the preparation of reports for consideration by the Development and Planning Commission, other committees and Ministers.
- To assist in the formulation and drafting of planning policy.
- To assist in the collation and analysis of statistical data.
- To assist in the administration of other control regimes that are the responsibility of the Town Planning section.
- Liaison with other Government departments, agencies and organisations and attendance at meetings, as required.
- To assist in the maintenance and development of the Town Planning section's computerised systems including its Geographical Information System.
- General administrative duties.
- To generally provide assistance and support to the Town Planner and Deputy Town Planner in all planning and related to work.
- Any other duty appropriate to the post, which may be required by the Town Planner.
