

**DRIVER & VEHICLE LICENSING DEPARTMENT**  
**GIBRALTAR**

In order for us to provide you with the new photo-card format driving licence it is necessary for you to supply two ID sized photographs and your signature in addition to the application form. These images will subsequently be scanned and engraved on your licence.

Please sign in the designated box at the bottom, in order to process your application.

Please note that driving licence photographs are a vital part of your application. If the photographs you supply are not suitable the issue of your driving licence may be delayed.

The applicant must provide a valid ID card and Driving Licence.
