DRIVER & VEHICLE LICENSING DEPARTMENT GIBRALTAR

In order for us to provide you with the new photo-card format driving licence it is necessary for you to supply two photographs and your signature in addition to the application form. These images will subsequently be scanned and engraved on your licence.

Please sign in the designated box at the bottom, in order to process your application.

Please see guidance notes for the driving licence photograph on the separate form supplied.

Please note that driving licence photographs are a vital part of your application. If the photographs you supply are not suitable the issue of your driving licence may be delayed.
