Note:

*Please note that this statement, showing the monthly income, expenditure and balance of the Statutory Benefits Fund, is tentative. The figures will be revised on a monthly basis when the statistics for the website are updated.

*The increase in payments from the Statutory Benefits Fund in December 2018 was as a result of the January 2019 benefits being paid in advance during December 2018 following the closure of Government offices during the Christmas period. The decrease in payments in January 2019 reflects this.
